From the **PRINCIPAL**

**I am delighted to present the
St Joseph's Catholic College Strategic Plan
Reaching Beyond Boundaries 2025–2028.**

St Joseph's is committed to developing a culture of improvement and evaluation. Our organisational approach aims for alignment across three key areas – learning and wellbeing, community and partnerships, and leadership and innovation.

Our new Strategic Plan continues to be underpinned by our Catholic faith. It focuses on four strategic intentions supported by clear and decisive actions to forge a path into the future that is relevant, revolutionary and restorative for our students, staff and community.
